Note 1: Models before 2005(non-CANBUS)is to test according to edition information after entering system, so it will not list specific models

Note 2: Special functions in Anti-theft system,partial models may just have one or multiple functions,and few models not support spe

Note 3: For Models without CANBUS after year of 2006,you can try to enter test from Before 2005(non-CANBUS)menu.

Note4:Note2:The final interpretation of FCAR technology
